Huntingdale Auto Club members have been invited to attend the Terry Dowell Automotive Museum in Upper Beaconsfield at 10:30 am on Sunday August 30th to walk back in history and view this immaculate collection of Vintage, Veteran and classic cars of all makes.

Whilst this museum has been in existence for some time, they have now moved to this new location with a huge auditorium and a large expanse of land with plans in place for it to become a much larger complex that will house much more of his collection and other facilities. Entry is $20.00 donation per person.

They like groups to be around fifty people and will need HAC number of attendees by around Friday July 17th, which will enable them to cater for others if we do not have sufficient numbers. You can invite your friends and relatives if you wish.

We can follow with lunch at the Cardinia Park Hotel, Beaconsfield at 1:00 pm.

Please RSVP Brian Munyard by the aforesaid date so the booking can be confirmed.

Thanks, we look forward to hearing from members interested.
