## COVID-19 UPDATE

*Due to the current COVID-19 situation, renewals of current Club Permits may be carried out by contacting the Club Permit Officer on 0418 129 064 at least 3 weeks prior to the expiry date to arrange for the HAC approval to be completed. New applications cannot be taken at present.*

*Revised 22-01-2019*

HAC is an approved Club under the VicRoads Club Permit Scheme. The scheme allows vehicles over 25 years old to be driven for up to 90 days a year without full registration. However there are certain conditions from both HAC and VicRoads which must be met.

**Processing Club Permit registration is not an obligation of the Club, but a service provided as a privilege to our members. The club remains responsible to VicRoads for the inspection of vehicles.**

**NEW APPLICANTS:** To be eligible for a Club Permit through Huntingdale Auto Club, a new applicant must be an *active* HAC member for 12 months prior to applying for the Permit. The initial Application/Inspection fee for a Club Permit is \$50.00 (non-refundable).

**RENEWALS:** HAC members seeking renewal of their Club Permit must have been an *active* HAC member for 12 months prior to the Permit renewal date. An annual Renewal Inspection Fee of \$20.00 for Social members will apply, but the Inspection Fee will be waived for continuing Full Adult members.

**ACTIVE MEMBER:** *Active* membership is defined as attending at least two **HAC calendared events** or other CAMS authorised events during the 12 month membership period. These may be Social or Competition events.

**Huntingdale Auto Club authorised officer/s may accept or decline a vehicle if deemed by them to be unacceptable, irrespective of roadworthy or engineers certificates.**
